About Strumpshaw Tree Fair

📅 Limited e-tickets go on sale 01/02/2026. Please bring cash for entry due to poor signal.

Welcome to the **Strumpshaw Tree Fair 2026, a family-run festival, created by families for families**. Just a stone's throw from Norwich City Centre, this independent event celebrates **eleven years** of woodcraft, music, storytelling and traditional crafts.

Enjoy a full festival day out with **live music, dance sessions, family workshops**, and a strong focus on **artisan crafts** and **traditional woodwork**. From skilled woodworkers demonstrating timeless techniques to makers selling beautiful handcrafted items, the Tree Fair is a must-visit for anyone who loves **craft fairs in Norfolk** and **heritage skills**.

Our much loved **Talks Tent** returns, with the full programme announced on the first of March. Our theme is **storytelling**, with world-class tellers joining us from Ireland and Scotland, creating a gentle Celtic connection that runs throughout the weekend. Children and adults can enjoy magical stories beneath the trees, adding something truly unique to the Norfolk events calendar.

Our wide selection of **food trucks** serve **local, real street food** with something for everyone, including **gluten-free, vegan, and vegetarian options**. The **Tree Fair Pub**, run by **Norfolk Brewhouse**, features locally grown ingredients and a special festival ale brewed exclusively for this event.

Your ticket also includes **free entry to the Strumpshaw Steam Museum**, making this one of the most rewarding and best value **days out in Norfolk**.

Join us for a beautiful weekend of craft, woodwork, music, storytelling, and delicious food at **Strumpshaw Tree Fair 2026**. We hope to see you there!
