Please send contributions by email if possible, as Word attachments. Please do NOT send PDFs, and please do NOT embed illustrations in the text; send them as separate JPGS. Good resolution is needed for printing, and jpgs of less than 200KB are unlikely to be suitable. Several MB can usually be sent in one email.

If sending hard copy by post, please type the text, and any photographs must be printed on proper photographic paper.

Front cover illustration: in Wortley Top Forge, Gordon Parkinson explains a rolling mill
